Authorized Customer Signature

Authorized Printed Name (as per above signature)

Date

LINE NUMBER PORTING CAN NOT BE COMPLETED WITHOUT ACCOMPANYING PHONE BILL FROM CURRENT PROVIDER SHOWING CUSTOMER NAME AND ADDRESS.
Do not cancel service with current provider before the number port is 100% complete, and confirmation has been provided from Fibernetics that the port is complete. Canceling service with current provider before the number port is 100% complete and confirmed will result in loss of number, as inactive numbers cannot be ported.
